

Curriculum Vitae

Name: Kiss, Istvan (born May 29, 1943)
Nationality: Hungarian
Present position and title: Senior Scientific Investigator, Group Leader (Ph.D.)
Unit: Developmental Genetics Group, Institute of Genetics
Institution: Biological Research Centre (BRC) of the Hungarian Academy of Sciences, Szeged, Hungary

Academic career: 1966: Diploma (Biology and Chemistry), University of Szeged, Hungary
1971: Ph.D. (Bacterial Genetics), University of Szeged, Szeged, Hungary
1980: C.Sc. (Insect Developmental Genetics), Hungarian Academy of Sciences, Budapest, Hungary
2000: D.Sc., (Developmental Genetics), Hungarian Academy of Sciences, Budapest, Hungary

Research Experience: Physiology of insect hormones: The Biological Labs., Harvard Univ., Cambridge, MA, Postdoctoral Fellow (1972/73)
Genetics of moulting hormone (*Drosophila*): Dept. of Genetics, UC Berkeley, CA, Visiting Scientist (1983/85)
Gene disruption by transposon insertion (*Drosophila* Genome Program): Dept. Molec. Cell Biol., UC Berkeley, CA, Visiting Scientist (1994/95)
Nucleo-cytoplasmic transport and tumour suppressors in *Drosophila*, International Research Scholar, Howard Hughes Medical Institute (1995/2000)
